DESCRIPTION

2023 Chevrolet Colorado Z71 | Heated & Ventilated Seats | Driver Memory Settings

Offering a blend of rugged capability, modern technology, and premium comfort, the 2023 Chevrolet Colorado Z71 Crew Cab 4WD is built for adventure without compromise. Powered by a 2.7L Turbo Plus engine paired with an 8-speed automatic transmission, the Z71 delivers strong performance and confident handling, complemented by Z71 off-road suspension, Hill Descent Control, and an AutoTrac 2-speed transfer case for superior traction in all conditions. The crew cab layout offers space for family or gear, while the interior combines utility with style, featuring front bucket seats, rear 60/40 split-folding bench, wireless Apple CarPlay®, Android Auto®, and an 11.3-inch advanced colour LCD display with built-in navigation. Safety is a priority with Chevrolet Safety Assist, including Automatic Emergency Braking, Forward Collision Alert, Lane Keep Assist, and more. Additional conveniences like k...
